

THE
SUTHERS
SCHOOL

22 May 2019

Dear Parents

Twycross Zoo Visit – Thursday 13 June 2019

As part of our Year 7 science curriculum we are studying ecology, with a particular focus on adaptations of species and competition between species. We have therefore organised a visit for Year 7 students to Twycross Zoo where they will collect data on some exciting species to inform their class work. The cost of the trip is £12.00 comprising of £9.50 entrance fee and a £2.50 travel contribution.

Students will come to school at the usual time. They will travel to and from the zoo by coach. We will depart at 8.45am and return at 2.15pm in anticipation of arriving back at school for 3.30pm. Students will return home at the usual time of 4pm. Due to the nature of the venue, we are allowing students to wear non-school uniform. Clothing will need to be suitable for outdoors. The students will be outside for the majority of the day so may need sun protection. Please provide your child with a packed lunch. If your child receives free school meals they will be provided with a packed lunch. Your child will have the opportunity to purchase a souvenir from the shop so may wish to bring a small amount of money. Mobile phones will be permitted.

If you would like your son/daughter to visit Twycross Zoo on Thursday 13 June, please complete and return the consent slip below and make payment on SIMS Agora by Thursday 6 June at the latest.

Yours faithfully

Miss Marie Beecroft
Head of Science

Twycross Zoo Visit

13.06.19

Parental Consent

I/We give permission for _____ in 7____ (form)
to go to Twycross Zoo on Thursday 13 June. I am/We are aware that at some times he/she
