

15 May 2019

Dear Parents

Futures Day 21.06.19

I am pleased to be able to inform you that all Year 7 pupils will be taking part in a Futures Day at MV16, an outstanding post-16 college in Melton Mowbray on Friday 21 June.

Working closely with staff and student ambassadors at MV16, we have planned an inspirational day for pupils where they will have the opportunity to explore possible careers, get a taste of advanced level study and experience college life.

Students will travel to and from school by bus, arriving at MV16 for 10am and departing in time to return to school for 3pm. Please note that students are required to wear school uniform and should travel to school as normal on that day.

Lunch will be provided for all students by the catering team at MV16.

This promises to be a really valuable day for our students and I look forward to sharing snap-shots of their experience in The Bulletin. In order to support administration for this event, please complete and return the attached consent form by Friday 14 June.

Yours faithfully,

Mr Andrew Pettit
Head of School
