

The Bulletin

Your Weekly News Update from The Suthers School

In Brief:

- ◆ **Our Word of the Week** was 'innovation'.
- ◆ **Applications** are in for our first ever House Captains—shortlisting and interviews next week.
- ◆ **Congratulations** to the winners of our Sports Stars Awards this week— Megan and Lewis.
- ◆ **Suthers World Cup 2018** Competition launched this week. Qualifier Quizzes need to be in by Thurs 21 June.
- ◆ **Innovation Challenge 2018** launched this week— deadline Friday 22 June
- ◆ **Well done** to all of our students for the way they approached their Progress Board assessments this Week! Great focus. #ThereAreNoShortcuts

Who will be House Point Champions this term? It's still very close!

Getting Active

So, the applications are in for our first ever House Captain positions and we're now starting the process of shortlisting. We'll be appointing a Captain and Vice Captain for each of our four Houses (Attenborough, Beacon, Skylark and Treswell) and will be looking for students with a range of skills, personal qualities and experiences who will be able to work well together as part of a team and help lead the development of the House system.

Students have been busy with their Progress Board assessments this week—and we've been really impressed by the focus and self-discipline they have shown—but that hasn't stopped them getting outside and getting active. As you'll see below, they've been honing their skills in rounders and cricket in PE (thanks to Miss Sheldon and Miss Coe for their brilliant coaching) and there's been dance, netball, basketball, field athletics and Performing Arts Club to boot! This all comes in addition to the announcement last week that we'll be holding a sponsored run later this term in aid of our Action for Alex campaign which has been set up to help support a young child and her family in their fight against cancer. Sponsor forms will be coming home this Friday.

ALL SET FOR OUR FIRST SPORTS FIXTURES

In PE this week students have been going through skills and drills ready for their very first fixtures on 27 June. We'll be playing Cricket and Rounders against Toot Hill School and team lists will be announced soon. A particular well done to Lewis and to Megan who won this week's Sports Stars Award.
