Your Weekly News Update from The Suthers School

## In Brief:

- ◆ **Our Word of the Week** was 'victorious'.
- ◆ **Congratulations** to the winners of our Sports Stars Award this week — Reece and Emily.
- ◆ **Thank you to everyone** who helped out at our Year 4 and 5 Open Evening—it was a great evening!
- ◆ **The countdown is on—** just 7 days to go till the first ever Golden Ticket Reward Trip. Check the Essential Kit List sent out with the invitation.
- ◆ **Suthers students set to run** 200k for charity! Our sponsored run takes place on Thursday 19 July so don't forget to keep collecting those sponsors!
- ◆ **Looking forward to our** Technology Day at NUASt on Wednesday!

Who'll be House Point Champions this term? This is how it is looking now—could Treswell take the crown?

## Focus on Film

This week we were delighted to welcome Sophie Dewey, an Executive Producer from Black Sheep Studios in London. A part of the advertising giant Bartle Bogle Hegarty (which has offices in London, Shanghai and New York), Black Sheep produce advertising, documentaries and short films. Sophie delivered a fascinating presentation to students, showcasing the work of her team as well as talking them through the film-making process. Students got a real insight into what it takes to produce a film and what it takes to become an executive producer. Black Sheep are about to begin work on feature-length movies and so it was particularly inspirational for our film club students to hear about what is involved. We now look forward to welcoming Paula Rawsthorne into school next week who will talk to us about being a writer and to our visit to NUASt where students will get hands-on experience of design technology as well as an insight into the world of engineering. Really looking forward to seeing their products!

## ALL SET FOR THE HIGH JUMP!

The athletics group were put through their paces again this week, gearing up for high jump by practising key skills including the approach, take off and jump. This is alongside other field and track specialisms such as javelin and hurdles. Really looking forward to the final session next week and to our sponsored run in aid of Alex.

## BRAND NEW HOUSE-COLOURED PRODUCTS AVAILABLE NOW!

All students now have the chance to purchase one of these fab new House-coloured PE bags as well as House-coloured water bottles. Both products can be personalised and are available at just £3 each. Purchase online via SIMS Agora. Buy both for the special package price of £5. Click [here](#) to order.
