Term One is Done!

Half term is here and we would like to take this opportunity to thank you all for your support in helping to make The Suthers School such a success in its first weeks of operation.

Today we held our first ever Healthy Breakfast event and it was great to see the fantastic array of healthy food and to see students working so well as part of a team. The presentation of some breakfast tables was also really impressive—not least Team #healthybreakfast2017 who had candles and a lightbox as part of their display and top marks to the girls in 7ES who had gone to the effort of adorning their tablecloth with petals!

Looking ahead to next term, students will be taking part in a new range of enrichment activities, including an arts and crafts activity focusing on developing cultural awareness—their theme will be China and we are also really pleased to let you know that we are now in the process of finalizing arrangements for the much-anticipated Chinese / Mandarin language classes which we are looking to start from January.

Next term we will also be holding an additional INSET day as part of a Trust-wide initiative which is all about creating truly amazing schools—The Suthers School is of course at the heart of this project and we do hope that this extra day out of school will not cause too much inconvenience. Letters about this were sent out today so please check your inbox (and your child's school bag!).
