## Welcome Back!

We hope you all had a good half term break. It has been great to see our students so eager to return to school and they have certainly been in the 'limelight' this week with a visit from the Newark Advertiser (look out for our feature appearing in the 9 November edition) and a photoshoot yesterday for our forthcoming prospectus and our soon-to-be updated website. As soon as this goes live we will let you know!

As part of our PSHEC programme, we welcomed Via Road Safety this week who delivered a very informative and engaging session on road safety issues, including the importance of wearing seatbelts on public transport and being alert at all times. Group one had their session this week, others will have theirs over the next fortnight.

Information about the Elections to our Local Governing Body as Parent Governors will be going out in the next few days.

If you would like to stand for election please complete the nomination form and return it to the school no later than Wednesday 15 November 2017. You may also include a short personal statement to support your nomination, which should be no longer than 250 words.

Self-nominations will be accepted but if you are nominating another parent, please seek their prior consent. If there are more nominations than vacancies the election will be by secret ballot. If that is necessary, voting papers will be sent to all parents together with details of the ballot procedure.

## Conduct Cards

From Monday 3 November, all students will be issued with Conduct Cards. This is part of our ongoing work to reward students for promoting and upholding our 'Work hard, be kind' ethos. The cards will be used to reward positive actions and contributions through praise points but will also be used to give students behaviour for learning reminders and apply sanctions if required.
