STUDENTS INSPIRED BY 'WORLD SKILLS LIVE'

On Thursday this week, Year 9 headed to the NEC in Birmingham for World Skills Live 2019, the UK's largest, interactive skills and careers event. Divided into four sectors, the massive exhibition provided students with a hands-on and up-to-the-minute encounter with industry leaders in everything from construction, engineering, technology and logistics to health, hospitality, lifestyle and creative media. It was great to see our pupils showing such great levels of curiosity and to see them so excited about possible future pathways and careers. One group even rubbed shoulders with one of the event's more famous visitors, George Bentley from *The Gadget Show*. And with many of the most famous household names represented—including Amazon, Coca-Cola, Costa, Pizza Express and Jaguar—there were plenty of freebies on offer for our future leaders as well!

OUR REVERSE ADVENT APPEAL RETURNS

A Christmas Wish: we will once again be supporting The Trussell Trust to bring help to those who need it most this Christmas. All donations gratefully received.

From 1-13 December, we will be collecting food donations in support of The Trussell Trust and Newark Food Bank through our annual 'Reverse Advent Appeal'. Each House will be competing to see just how many essential food items they can donate and to see if we can break our whole-school record for the total weight donated! Click [here](#) to see the list of most needed items.
