## CAROL SINGING IN OUR COMMUNITY

Our choir group had the privilege of visiting Lancaster Grange in Fernwood this week where they sang a medley of carols for residents in the lounge before conducting their own spontaneous tour of residents' rooms to sing for those who could not leave their beds. It was a really moving experience for all involved and cemented a really important bond between The Suthers School and members of the care home community. In fact, our students left excited about the possibility of further outreach and volunteering projects we could set up in 2020. Whilst in Fernwood, our carol-singers also had the privilege of decorating a Christmas tree for the team on the new-build site and were rewarded with a guided tour of their brand new school which is now at a really advanced stage. For more, keep an eye out for our feature in the *Newark Advertiser* next week and don't forget to follow us on Twitter @SuthersSchool.

*Our Year 7s, 8s & 9s singing for residents at Lancaster Grange, a care home located on Fernwood Business Park*

## GOING JUMPERS FOR ATTENBOROUGH

Don't forget, the last day of term is Christmas Jumper Day and this year we will be donating all proceeds to the Attenborough Lifeline Appeal, the £1 million fundraising campaign launched by Nottinghamshire Wildlife Trust to save Attenborough Nature Reserve. Looking forward to seeing all those novelty knits!
