

Dear Parents/Carers,

Year 11 Future First Expo Visit – Thursday 14th November 2024

After the success of last year's event, I am writing to inform you that your child will be attending a Careers Trip on Thursday 14th November at the Lady Eastwood Centre, Newark Showground during school hours.

Year 11 students will have the opportunity to explore 4 areas which include:

- An Education Zone, exploring their next steps of full-time education post GCSE
- The Business Zone looking at established businesses, learning about how they operate and the skills they look for when employing young people
- The Technology Zone, where they can learn about changing technology related to the labour market
- The Experience Zone, where students have the opportunity to be immersive and interactive with employers.

There will be 21 Colleges and FE providers at the event, and we will encourage students to talk and ask questions about their next steps. There will also be 33 exhibitors at the Future First Expo. Please watch this short video to get a taste of the event:

<https://www.youtube.com/watch?v=0En9V1lzS40>.

The visit will depart the school at 12.30pm and will return to the school by 2.45pm. Students will be expected to wear their full uniform throughout the event. The school will provide transport to the event which is free of charge for all students. On returning to school, students will have the opportunity through their PSHE lessons to reflect on their visit and to explore potential career opportunities in more detail.

If you do not wish for your child to participate in this event, please notify the admin team via e-mail: contact@suthersschool.co.uk

Yours faithfully,

Mr Lamb
Careers Lead
