Dear Sir/Madam,

Re: Invitation to Careers Education Breakfast at The Suthers School

We are delighted to invite you to a special Careers Education Breakfast at The Suthers School on **Friday, 4th April 2025, from 9:30 to 10.30am**. This event will provide a valuable opportunity to strengthen relationships between our school and the Newark business community, as we work together to support and inspire the next generation of young professionals.

At The Suthers School, our vision is to provide **'World Class Learning Opportunities for All'**, ensuring that every student is equipped with the knowledge, skills, and character needed to excel in the world beyond education. Central to this vision is our commitment to embedding our **TORCH Character Strengths**—Tenacity, Optimism, Respect, Curiosity, and Hard Work—into every aspect of student life, fostering well-rounded individuals who are prepared to thrive in the modern workplace.

The purpose of this breakfast is to explore meaningful ways in which local businesses and our school can collaborate to enhance **careers education**. We aim to:

- Develop stronger links between education and industry.
- Identify opportunities for mentorship, work experience, and career guidance.
- Understand how we can best prepare our students for the expectations of the workplace.

Your insight and expertise would be invaluable in shaping our approach and ensuring that we equip our students with the skills and mindset needed to contribute effectively to the business world.

We would be honored to welcome you to our school and would greatly appreciate your RSVP by completing the form at this link: <https://forms.office.com/e/KhpxA607Z2> by **Friday, 28th March 2025**. If you are unable to attend but would like to get involved in our Careers Education Programme, please complete the same form.

We look forward to your presence and to building a stronger partnership between The Suthers School and the Newark business community.

Kind regards,

James Griffiths
Deputy Head Teacher
