

Dear parent/carer,

On **Monday 15<sup>th</sup> July** your child will be taking part in their interform sports day.

This is an inclusive event which offers students the opportunity to compete in activities they have covered as part of their PE curriculum this year. The events include:

- 5-A-Side Football
- 5-A-Side Netball
- Rounders
- Badminton

In form time next week, tutors will be helping the tutees pick the sport they wish to compete in. Points are awarded for participating and for a draw/win. The winning tutor will be announced in celebration assembly in the last week of term where the coveted interform trophy will be awarded.

The expectation is that on this day, students will come in their PE kit for the whole day, this is to elevate pressure in the changing room.

As we monitor the weather closely, we would like to remind you that students should have hats, water, sun cream and appropriate Suthers PE kit for the day. Trainers and Shin pads will be needed for football. In the event of poor weather, students would revert to their timetabled lessons for Monday.

Your child will have some of their timetabled lessons to attend in either the morning or afternoon, so please make sure they bring their school bag and the necessary equipment.
