

Dear Parent(s)/ Carer(s),

It is with great pleasure that we invite you to attend our GCSE options evening programme, on Wednesday 19<sup>th</sup> March 2025 commencing from 5.30pm, with the school open until 7.30pm. The event will start with an options presentation at 5.30pm, followed by another options presentation at 6.00pm. Please click on the link below to select your preferred time.

This will then be followed with an opportunity to meet subject leaders and some of our Key Stage 4 pupils.

Essential information will be shared on the day including GCSE Options available for your child, core schemes of study, as well as an overview highlighting the processes and criteria involved in decision making. We want to ensure informed decisions are made by receiving expert advice, speaking directly with teachers, subject leads and the leadership team. The opportunity to gain honest open insights from current GCSE Students will also be on offer.

All subject information can be found on our school website (link below). We will direct you to this website on the evening. Also find a QR code for your convenience.
