

Dear Parents,

School Uniform Update

I would like to take this opportunity to clarify the uniform expectations for all students.

We have been informed by the uniform company that any outstanding orders are estimated to be delivered to school on or around the week commencing 19th October.

With both PE and Enrichment activities up and running, we are aware that pupils are expected to be in their PE kit on a number of occasions each week. Thank you for your ongoing commitment to ensuring that your child is suitably prepared for each day.

Please use the following as a guide for all students.

Normal School day: Full School Uniform
PE Day or Enrichment Day (where sport is an activity): Regulation PE Kit

For the foreseeable future we will allow pupils to wear the following additional items on days where they are timetabled in PE or taking part in physical activity as part of their Enrichment session. None of these items should be worn in place of the regulation PE kit.

- Plain black jumper on top of their polo shirt/reversible games top (KS4 only)
- Plain black tracksuit bottoms only
- Plain black sport leggings only
- School Blazer on top of their PE kit

Please note: We do plan to make the following available on our school uniform supplier's website in the near future.

- Black Jumper with Suthers school Logo
- Sports Leggings with Suthers school Logo

School blazer

School tie

Boys' sport polo shirt

Girls' sport polo shirt

Reversible games top

A reminder of our current full school Uniform:
