

# The Bulletin

Your Weekly News Update from The Suthers School

## In Brief:

- ◆ **Our Word of the Week** was 'compassion'.
- ◆ **Thank you to all** the students who made our new Year 7s (and their parents!) feel so welcome on Saturday.
- ◆ **Reminder:** the next Progress Board Exams will take place in school from 11-15 June.
- ◆ **New school day** announced. From September 2018, we will operate a 7 period day which means school will end at 4pm Mon-Thurs and at 3pm on Fridays.
- ◆ In the build up to this year's **Newark Book Festival** our students have been busy creating their own secret gardens. Follow us @suthersschool for a sneak peek and click on the ad below for more information about this booktastic annual event.

## Happy Half Term!

We were treated to a taste of GCSE Music this week as students from Toot Hill School joined our students for a special performance lesson. They also joined in our very first rehearsal of 'Storms' (see below) ahead of the Celebration Event we will be holding in Newark Town Hall on Monday 23 July where students will perform a medley of the songs they have mastered since September. Watch this space for more information and keep an eye out for your exclusive invitation.

In fact, as we look ahead to the final term of our very first year, there is lots to be excited about, including the range of enrichment opportunities on offer. Students will be bringing their options booklets home with them this week so do take a moment to take a look for yourself. Please also remind your child that they need to put in the revision time ahead of their Progress Board Exams (11-15 June) and that we'll be doing an [Essential Equipment](#) check on Monday 4 June. Happy Half Term everyone!

## SUTHERS STUDENTS STILL BAKING A DIFFERENCE

Well done to Paige and Ellen for organising and running the royal wedding themed bake sale at our Spring Welcome Event last weekend in aid of the Newark Emmaus Trust—the Union Jack bags were a great touch!
