FIRST STUDENT COUNCIL ELECTED

The votes have been counted and we can now confirm that Amilie, Arlen, Charlie, Hannah, Leo, Lucy, Reece and Sophie have been elected as members of our very first Student Council (see below). Each of the successful candidates campaigned for votes and faced the tension of a secret ballot this week. Well done to all who stood for election— brilliant levels of tenacity, respect and optimism were shown by all involved. This final week of term has also shown once again that The Suthers School really is the place where 'work hard, be kind' lives with a record-breaking Reverse Advent Appeal (special thanks to Lily in Year 7 who donated a staggering amount) and a brilliant Christmas Jumper Day. All the proceeds from our festive appeal will be added to any profits made tomorrow by our DT students at the Newark Christmas Market. We look forward to seeing you there!

And so as the weather starts to feel a bit more like winter and there is talk of snow in the air, we would like to take this opportunity to thank you all for your continued support and to wish you a very happy Christmas. We look forward to welcoming everyone back for an amazing 2019 on Monday 7 January.

The first ever TSS Student Council with Vice Chair of Governors, Mrs Sue Gray.

CASTLE BUILDING CHALLENGE

Students have put together a stunning array of castles as part of their independent study challenge for History this term. It has been great to see such creativity and dedication. Well done everyone!

TSS SCHOOL BUILD UPDATE

We're still awaiting feedback from the ESFA but have been busy this week finalising arrangements for our formal turnover ceremony to mark the official start to the build. Confirmation of the date for this and info about how students will be involved will be shared early next term.
