SHAKESPEARE IN A SUITCASE AT TSS

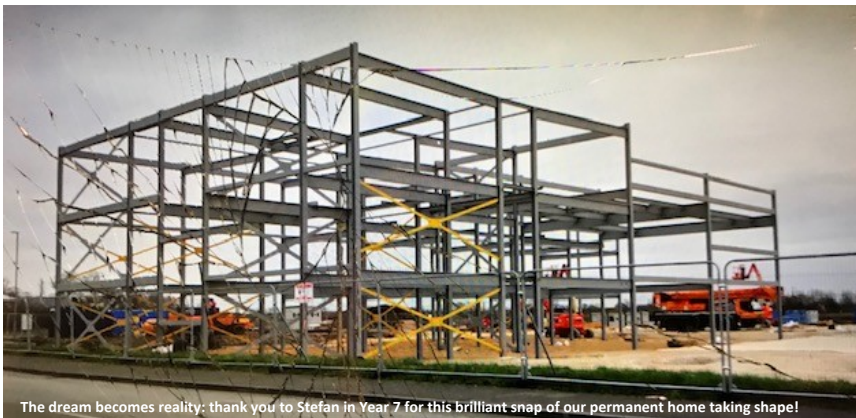

This week, Year 8 were wowed by performers from Splatsentertainment who brought one of Shakespeare's best known plays to life—and all from just one suitcase! In a show which proved to be exciting, dramatic and even hilarious, the 3 person cast really helped students to develop their understanding of *Romeo and Juliet* (one of their study texts) as well as give a real insight into stagecraft and the art of pop-up theatre - and the best news is, Splatsentertainment will be back at The Suthers School (with their suitcase!) in June to perform *A Midsummer Night's Dream* for Year 7! Looking forward to it already!

The dream becomes reality: thank you to Stefan in Year 7 for this brilliant snap of our permanent home taking shape!
