## SPEAKING UP FOR SOCIAL CHANGE

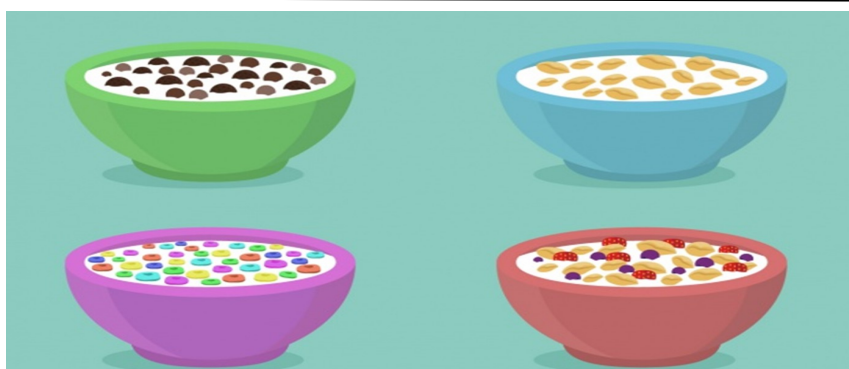

On Tuesday 5 November at the Royal Concert Hall Theatre, Nottingham, world-renowned speakers, A-list performers, and thousands of young people will come together to celebrate a year of action that has transformed communities and changed lives. WE Day Community: Nottingham is the first of its kind to be held in the East Midlands and we are excited to announce that Suthers School students have been invited to attend as guest speakers. Two of our Year 9 students, who were part of the group who founded SAVE and have already achieved an incredible amount in their campaign to help the homeless, will be up on stage to share their story as part of the 'We Speak Up' feature at the event. Previous guests have included the likes of Malala Yousafzai, Sir Richard Branson and of course the Duke and Duchess of Sussex. The line-up for this year's event is yet to be announced but you can find out more by clicking [here](#).

## BEACON ARE BREAKING OUT IN FRONT

As we head into the final week of term, the fight to be crowned House Point champions remains very close and with some serious points up for grabs in next week's Healthy Breakfast Challenge, any one of our four houses is in with a chance of taking the title for Term One on Friday.
