COUNTDOWN TO COMPLETION IS ON!

We are really looking forward to another site visit next week where two groups of students will get the chance to take part in a STEM Challenge and are guaranteed a guided tour of our incredible new building - and with the countdown to completion now well and truly underway, this visit will no doubt be made extra special by the fact that we are unlikely to be able to fit any more in before the building is actually finished! We'll be keeping you up to date here and on Twitter @SuthersSchool as we gear up for the big move!

ALL SET FOR THE YELLOW BRICK ROAD

On a very windy Friday, we caught up with the first group of students to make it through auditions for lead roles in *The Wizard of Oz*. Well done to everyone—we cannot wait to see you and the rest of the cast take to the stage in our very own auditorium in May! And we can't wait to see the set that our brilliant team of creators comes up with in their enrichment project!
