SUTHERS LOOKING SPLENDID IN THE RAIN

Despite the deluge of the last couple of weeks, our new home is certainly looking splendid with its brand new signage on show. We are immensely proud of the fact that even the building is starting to communicate something of the character within. As we move nearer to completion and the long-anticipated move, we will be inviting all parents and students to attend a special information evening as well as providing an exclusive 'first look' opportunity for staff, parents, students and governors. Details to follow shortly so keep a look out for your exclusive invitation to what will prove to be a truly historic event.

OUR NEW YEAR 7 STUDENT COUNCILLORS

Congratulations to Jade, Oliver, David and Kestra, the newest members of The Suthers School Student Council. The newly-elected students will play an instrumental part in the ongoing development of the school, including the move to our brand new building. In the coming weeks, our student council will be involved in planning for the new catering offer, help host visitors and will have the chance to develop social action projects through our links with WE Schools. Well done to all who stood for election.

SHARING A MILLION STORIES FOR WBD2020

We kick-started our contribution to the 'Share a Million Stories' for World Book Day this week with a speed-dating story sharing activity that saw pupils in every tutor group reading extracts from their favourite books and recounting their reasons for sharing. We're at 250 story shares and counting!
