

Buses serving

The Suthers School

from 4th November 2024

Students travelling on our services **MUST** have a valid ticket or pass or pay the appropriate cash fare.

Photographs of passes will **NOT** be accepted.

What's changed?

Travelling to or from Coddington and Beacon Hill?

Students will now need to catch service 85 to and from school - service 22 will no longer stop at The Suthers School.

Based on student and parent feedback, the morning 85 journey will run later so students no longer have to wait to get into school.

Travelling to or from bus stops along London Road?

To prevent overloading service 55 will no longer stop to pick up or drop off at any bus stops along London Road.

Students at all stops along London Road who catch the bus to/from school **MUST** now catch service 85.

The 55 Suthers Enrichment Bus on Wednesdays at 15:55 has not changed and will still stop at all stops on London Road.
